Muhammad Fadhlhan Putranto:

After a careful review of your submission, "Permutation Modification of Reversible Data Hiding Using Difference Histogram Shifting in Encrypted Medical Image" will be considered for presentation at The 3rd International Conference on Computer Science and Computational Intelligence (ICCSCI 2018) if the following revisions are successfully implemented before 7 July 2018. Please kindly use ICCSCI 2018 template correctly. Failing to fulfil this requirement will impact to unpublished manuscript.

The author must revise the paper based on the reviewer suggestions and send it through email system together with list of revision to Track Director using steps as follows:

- (1) Please click notify Director
- (2) Please upload your revision paper and list of revision as attachment

Thank you and looking forward to your participation in this event.
